Bryant University Mission Statement

Bryant University’s mission is to educate and inspire students to discover their passion, become innovative leaders with character and make a difference around the world.

College of Arts and Sciences

College of Business

Students from diverse academic and industry backgrounds join a cohort class of professionals and complete an MBA degree program that is built on best-practices, know-what and know-how curriculum. Students may choose program study tracks that complete the MBA program in one or two years.

Students may specialize the MBA curriculum in the areas of Business Analytics, Global Supply Chain Management, Global Finance, or International Business. A general MBA is also available.

The Master of Science in Taxation (MST) program is geared toward experienced tax professionals, accountants, or attorneys who are seeking an in-depth knowledge of taxation in order to more effectively advise individual and corporate clients.

The Master of Professional Accountancy (MPAc) program is designed to satisfy the “150-hour requirement” necessary for accounting professionals to become certified public accountants. Students can complete the MPAc program in two semesters of full-time attendance. A tax concentration was added to the MPAc program in 2010.

School of Health Sciences

The newly formed School of Health Sciences offers a Master of Science in Physician Assistant Studies (http://catalog.bryant.edu/archive/2014-2015/graduate/health-sciences/programs/physician-assistant-studies) .
