

FORENSIC SCIENCE CONCENTRATION

Forensic Science Concentration Requirements

Required Courses

SCI 251 Biology I Principles of Biology
& SCI L251 and Biology I Laboratory

SCI 265 Chemistry I Introductory Chemistry
& SCI L265 and Chemistry I Laboratory

SCI 368 Elements of Forensic Science

Select two courses and one lab from the following:

SCI 253 Biology II Organismal Biology
& SCI L253 and Biology II Laboratory

SCI 267 Chemistry II Chemical Systems
& SCI L267 and Chemistry II Laboratory

SCI 350 Biological Imaging

SCI 356 Introduction to Biotechnology

SCI 360 Anatomy and Physiology I
& SCI L360 and Anatomy and Physiology Laboratory I

SCI 363 Genetics
& SCI L363 and Genetics Laboratory

SCI 365 Organic Chemistry I
& SCI L365 and Organic Chemistry I Laboratory

SCI 367 Biochemistry

SCI 376 GIS for Environmental Decision Making
& SCI L376 and GIS for Environmental Decision Making
Laboratory

SCI 377 Microbiology
& SCI L377 and Microbiology Laboratory

SCI 369 Histology

Capstone Course Requirement

Select one of the following:

SCI 457 Environmental Toxicology and Risk Assessment

SCI 497 Directed Study in Science
