### Liberal Arts Elective

One Elective	
--------------	--

### Liberal Arts Minor Requirement

Four Courses (selection is made from a variety of liberal arts disciplines) <sup>4</sup>	
--	--

### Open Elective

One Elective	
--------------	--

<sup>1</sup> Must include one 400-level.

<sup>2</sup> 3 credits from the required liberal arts minor may be applied to this distribution.

<sup>3</sup> Include 1 Lab Science. One science course must be at the 300 or 400 level.

<sup>4</sup> Some minors require more than 12 credits.

<sup>5</sup> Students who complete the Financial Planning Track requirements above must also complete 1 additional Financial Services Elective of their choice to satisfy their degree requirements.

Students who complete the Financial Planning Track requirements above must also complete 2 additional non-degree credit courses (Estate Planning and Financial Planning Capstone) through Bryant University's Executive Development Center (or other CFP Registered institution offering these courses) to satisfy the CFP Board of Standard's education requirements.

Students enrolled in the Financial Planning Track will be required to successfully complete a Financial Planning Internship (under the same structure as existing Financial Services Internship FS 391).

<sup>6</sup> Satisfies a topical area for the educational component of the CFP designation.

2 *Bachelor of Science in Business Administration: Financial Services Concentration*

<sup>7</sup> Satisfies a topical area for the educational component of the CFP designation if the context of the internship is financial planning. Faculty approval is required for counting FS 391 as a Financial Planning internship.

122 credits required for graduation
