In addition, business concentrators may select an optional business minor. Bachelor of Science degrees are also available in Data Science and International Business, which offers eight business concentrations and requires a foreign language minor as well as an international experience.

The College of Arts and Sciences offers two degrees: A Bachelor of Arts and a Bachelor of Science. The Bachelor of Arts has majors in Applied Psychology, Chinese, Communication, Economics, Global Studies, History, Literary and Cultural Studies, Politics and Law, Sociology, and Spanish. Academic Internships and Practica

Bryant University offers students the opportunity to combine significant work experience with academic study through internships and practica. Such opportunities recognize the value of work integrated learning and critical reflection as an important avenue for learning. Internships and practica are arranged with employers representing a variety of industries and career opportunities. Student's learning is assessed by faculty as a three credit elective course resulting in a letter grade. Practica are valued at six, nine, or twelve credits as determined by the Department Chairs in specific areas of study. Resources are provided by the Amica Center for Career Education to meet specific student interests and provides the opportunity for career exploration, both nationally and internationally.

Student eligibility:

- Must complete a minimum of 60 credits.
- Must be in good academic standing—requiring a minimum overall GPA of 2.0.
- Must have established a major/concentration GPA of 2.0 or better to apply for an internship in a major/concentration area of study, with the exception of the Finance and International Business departments requiring a minimum overall GPA of 2.5.

- Must have established a minor GPA of 2.0 or better to apply for an internship in a minor area of study.
- Must meet all prerequisites for the internship as determined by the specific academic department and stated in the course description located in the course catalog (course elective listed as 391, 450, or 491).

A maximum of nine credit hours of any combination of internships and practica may be applied to fulfill degree requirements; a maximum of three credit hours may be applied to fulfill requirements in a major/concentration or minor area of study. All academic internships are reviewed and approved by the appropriate academic department chair. Each intern works with a faculty supervisor and is awarded a grade based on learning objectives and work performance. The internship site employer provides training and supervision during the course of the academic internship and provides performance evaluations to the student and faculty supervisor. Eligible students are allowed to do one internship or practicum per regular semester.

Internships and practica may be taken as part of the regular semester course load during the fall or spring terms, usually at no added tuition costs to the student. When taken during the summer term, internships and practica are subject to relevant course fees.

Direct Exchange Opportunities

Each year Bryant is adding more direct exchange opportunities to its available options. What this means is that you will enroll at a partner university where you have the possibility to take both business and A&S courses that fulfill degree requirements. The direct exchanges are a more immersive experience that enables you to meet more students from around the world.

In addition, the direct exchange billing works differently, so you will only pay Bryant tuition (financial aid still applies). The housing and meal options are paid directly to the partner program, so there may be a possibility to find a program that is more affordable for you. Check in with the Study Abroad Office to learn more about the options available.

Student Fees for Study Abroad Programs 2017-2018

Study Abroad participants are charged the same rates that a traditional Bryant University student would be assessed if they were studying on campus unless the total charge at the host institution abroad exceeds the comparable charges at Bryant University. Students are billed by

Bryant University directly and are expected to make the payment to Bryant on the traditional billing due dates (August 9 for the fall term and January 9 for the spring term).

Certain Study Abroad Programs will require application fees.

Application Fee:

- IAU: \$85 paid by the student directly to IAU

Deposit Fees:

- Upon acceptance, the confirmation deposit will be paid directly by Bryant University

Security/Refundable Deposits:

- Students participating in a program through API or The Education Abroad Network (TEAN) will be responsible for their own refundable security deposit. Each provider will directly bill the student for the refundable security deposits, and the student is expected to pay that out of pocket.

Below are the 2017 regular term costs for study abroad participants:

Tuition	\$20,850
Room*	\$4,518.00 - \$5,903.50**
Meal Plan*	\$2,973.00 - \$3,179.00
Additional Fees*	\$3,000 - \$5,000+

*Varies based on program location

**The University will pay up to \$5,903.50 in housing costs to the host institution. If a student chooses a housing option that exceeds that cost, the student will be billed and is responsible for paying the difference.

Tuition

The tuition rate is the cost of a traditional regular semester of study at Bryant University. Tuition may vary depending upon student's catalog year and financial aid package.

Room

The room rate is dependent upon the type of housing that a study abroad participant receives. If the participant is housed in a room that is typical of the Bryant University on-campus dorm-style living, the fee is \$4,518.00 (double). However, in certain circumstances, participants are given the option to live alone and are housed in a facility that is typical of the Bryant University on-campus townhouse-style living and those students are charged at the higher rate of \$5,496.00 (double) or \$5,903.50 (single). Also, certain programs offer housing (on and off campus) that is not comparable to on-campus living at Bryant. In these situations, Bryant or the host institution may assess a surcharge to cover additional services that are offered with the housing (i.e. telephone, internet, bed linens, cleaning services, upgraded housing, etc.). Please be advised that the surcharge will be added to your Bryant University tuition bill. These surcharges will not be on your initial bill since the host institution does not notify Bryant University until after the term has begun. You

will be notified via your Bryant University email address that an updated Electronic Bill (E-Bill) is ready for viewing.

Meal Plan

Depending on the program, a student may receive meals (e.g. home-stay accommodation), have the option to purchase meals on their own (i.e. self-catered), or participate in a meal program at the university they are attending abroad. If they participate in the meal program abroad, or are receiving meals through their housing option, a fee of \$2,973.00 - \$3,179.00 will be assessed to their Bryant University account, depending on the number of meals they are receiving abroad. Since the meal plan is optional in some locations, and is not typical at most institutions, additional fees do not apply to every student. Meal plan charges will not be on your initial billing statement. If Bryant is notified by the host institution of meal plan enrollment and/or additional fees, you will be notified via your Bryant University email address that an updated Electronic Bill (E-Bill) is ready for viewing.

Host Family Accommodations

Bryant students are billed at the Bryant University on-campus residence hall style-living for host family accommodations \$4,518.00 (double). A student will be assessed a meal plan fee of \$2,973.00 - \$3,179.00 to their Bryant University account if they are receiving 1-3 meals per day in their home-stay accommodations. Meal plan charges will not be on your initial billing statement. If Bryant is notified that your home-stay includes 1-3 meals per day, then you will be notified via your Bryant University email address that an updated Electronic Bill (E-Bill) is ready for viewing.

Additional Fees

Additional fees are any supplemental costs of the program and are billed directly by the third party provider or paid directly by the student. The amounts listed are estimates based upon amounts experienced by past participants. The actual costs may vary. Such fees may include, but are not limited to, R/T airfare, VISA processing fee, health insurance fee, cell phones, health club memberships, cleaning fee, bed-linen fee, etc

Withdrawal Policy

In case of cancellation, the student is subject to the refund policy of the program provider. Each program provider lists the cancellation policy on their website, so be sure to read that information before applying.

Study Abroad Surcharge

If the total charge at the host institution abroad exceeds the comparable charges at Bryant University, a surcharge will be assessed to the student's account in the amount equal to the difference between the two costs.

All study abroad billing inquiries should be addressed to the Bryant University Bursar's Office at (401) 232-6030. Please Note: Students will initially be billed the Bryant University rates. Once Bryant University is billed by the host institution, any appropriate adjustments are made to the student's account and the student will be notified via Bryant University email address that an updated Electronic Bill (E-Bill) is ready for viewing.

- Written pre-approval (course contract) from a Bryant University Undergraduate Advisor is required for coursework taken at the Host Institution, if transfer credit or Financial Aid is to be awarded.
