

MANAGEMENT MINOR

Management Minor Requirements

The increasing demand for management skills at all levels of various organizations led to the creation of a management minor at Bryant University. The objective of the minor is to allow both business and liberal arts students to gain an understanding of complex managerial issues that corporations are facing today. Students will do a core class in Organizational Behavior that will enable them to understand human behaviors in the workplace. In addition, they will be doing 3 additional electives with a range of options to develop competencies of leading and managing teams, projects and organizations.

Students in the Management minor will take:
