## Courses

### **IDEA 101. Bryant IDEA: Innovation and Design Experience For All. 1 Credit Hour.**

This course teaches students about the innovation process. Specifically, students learn two key elements or building blocks for creating new innovations in any field: design thinking and teamwork. During an approximately 72-hour intensive experience, students will work in teams on projects covering a range of "real world" situations, ranging from the arts to social services to the business sector. They will practice elements of the design thinking process and work in teams to come up with creative solutions to problems.

Session Cycle: Spring

Yearly Cycle: Annual.
