ACADEMIC INTERNSHIPS AND PRACTICA

Bryant University offers students the opportunity to combine significant work experience with academic study through internships and practica. Such opportunities recognize the value of work-integrated learning and critical reflection as an important educational avenues. Internships and practica are arranged with employers representing a variety of industries and career opportunities.

There are several internship offerings available, including:

- **Internships for Academic Credit**
- **Transcript Notation Internship**

In internships receiving academic credit, students' learning is assessed by faculty as a one, two, or three-credit elective course resulting in a letter grade. Credits are offered based on the total number of hours completed in the internship, as follows:

- 0 Credit (Transcript Notation)= 80+ hours
- 1 Credit= 40+ hours
- 2 Credit= 80+ hours
- 3 Credit= 120+ hours

In a Transcript Notation Internship, no academic credit is awarded. Instead, students receive an official notation on their transcript and complete reflective assignments to ensure the rigor of their experience and applicability to their academic program. Transcript Notation Internships encompass at least 80 hours at the internship site and must span across at least 4 weeks. Students participating in these internships are supervised by staff in the Amica Center for Career Education and receive the notation on their transcript only if all requirements are completed satisfactorily.

Practica are valued at six-, nine-, or twelve-credits as determined by the Department Chairs in specific areas of study. Resources are provided by the Amica Center for Career Education to meet specific student interests and provides the opportunity for career exploration, both nationally and internationally.

Direct Partner Opportunities

Each year Bryant is adding more direct partnership opportunities to its available options. What this means is that you will enroll at a partner university where you have the possibility to take both business and A&S courses that fulfill degree requirements. The direct partner programs are a more immersive experience that enables you to meet more students from around the world.

In addition, the direct exchange billing works differently, so you will only pay Bryant tuition (financial aid still applies). The housing and meal options are paid directly to the partner program, so there may be a possibility to find a program that is more affordable for you. Visit the Study Abroad Office to learn more about the options available.

Currently, the Study Abroad Office has direct partners in England, Ireland, Scotland, Italy, Germany, Spain, Australia, Turkey, India, and South Korea.

Student Fees for Study Abroad Programs 2023-2024

Study Abroad participants are charged the same rates that a traditional Bryant University student would be assessed if they were studying on campus unless the total charge at the host institution abroad exceeds the comparable charges at Bryant University. Students are billed by Bryant University directly and are expected to make the payment to Bryant on the traditional billing due dates (August for the fall term and January for the spring term).

Certain Study Abroad Programs will require application fees.

Application Fee:

- On Bryant approved programs, Bryant pays the application fee.

Deposit Fees:

- Upon acceptance, the confirmation deposit will be paid directly by Bryant University

Security/Refundable Deposits:

- Students participating in a program through API, or The Education Abroad Network (TEAN) will be responsible for their own refundable security deposit. Each provider will directly bill the student for the refundable security deposits, and the student is expected to pay that out of pocket.

Below are the 2023-2024 regular term costs for study abroad participants:

Fees	
Item	Cost
Tuition	\$25,136.00
Room*	\$5,218.50 - \$6,819.00**
Meal Plan*	\$2,878.00 - \$3,410.50

Study Abroad Fee	\$500.00
Additional Expenses (not charged by Bryant)	\$5,000 - \$7,000+

*Varies based on program location

**The University will pay up to \$6,819.00 in housing costs to the host institution. If a student chooses a housing option that exceeds that cost, the student will be billed and is responsible for paying the difference.

Tuition

The tuition rate is the cost of a traditional regular term of study at Bryant University. Tuition may vary depending upon student's catalog year and financial aid package.

However, if the total charge at the host institution abroad exceeds the comparable charges at Bryant University, a surcharge will be assessed to the student's account in the amount equal to the difference between the two costs.

Room

The room rate is dependent upon the type of housing that a study abroad participant receives. If the participant is housed in a room that is typical of the Bryant University on-campus dorm-style living, the fee is \$5,218.50 (double). However, in certain circumstances, participants are given the option to live alone and are housed in a facility that is typical of the Bryant University on-campus townhouse-style living and those students are charged at the higher rate of \$6,348.00 (double) or \$6,819.00 (single).

Additionally, certain programs offer housing (on and off campus) that is not comparable to on-campus living at Bryant. In these situations, Bryant or the host institution may assess a surcharge to cover additional services that are offered with the housing (i.e. telephone, internet, bed linens, cleaning services, upgraded housing, etc.). Please be advised that the surcharge will be added to your Bryant University tuition bill. These surcharges will not be on your initial bill since the host institution does not notify Bryant University until after the term has begun. You will be notified via your Bryant University email address that an updated Electronic Bill (E-Bill) is ready for viewing.

Meal Plan

Depending on the program, a student may receive meals (e.g., home-stay accommodation), have the option to purchase meals on their own (i.e., self-catered), or participate in a meal program at the university they are attending abroad. If they participate in the meal program abroad, or are receiving meals through their housing option, a fee of \$2,887.00-\$3,410.50 will be assessed to their Bryant University account, depending on the number of meals they are receiving abroad. Since the meal plan is optional in some locations, and is not typical at most institutions, additional fees do not apply to every student. Meal plan charges will not be on your initial billing statement. If Bryant is notified by the host institution of meal plan enrollment and/or additional fees, you will be notified via your Bryant University email address that an updated Electronic Bill (E-Bill) is ready for viewing.

Host Family Accommodations

Bryant students are billed at the Bryant University on-campus residence hall style-living for host family accommodations \$5,218.50 (double). A student will be assessed a meal plan fee of \$2,887.00- \$3,410.50 to their

Bryant University account if they are receiving 1-3 meals per day in their home-stay accommodations. Meal plan charges will not be on your initial billing statement. If Bryant is notified that your home-stay includes 1-3 meals per day, then you will be notified via your Bryant University email address that an updated Electronic Bill (E-Bill) is ready for viewing.

Additional Expenses

Additional expenses are any supplemental costs of the program and are billed directly by the program provider or paid directly by the student. The amounts listed are estimates based upon amounts experienced by past participants. The actual costs may vary. Such expenses may include, but are not limited to, R/T airfare, VISA processing fee, health insurance fee, cell phones, health club memberships, local transportation, cleaning fee, bed-linen fee, etc.

Withdrawal Policy

Bryant University disburses money to the study abroad providers when a student commits to the program and before the program abroad commences. There is a threshold date after which no funds are returned to the University for a withdrawal, which is why you are responsible for reviewing the program provider's refund policies. If a student decides to withdraw from the program abroad, after they have committed to the program, the student is responsible for any non-refundable costs from the program provider. Furthermore, if a student leaves a program, whether voluntarily or not, he/she should not expect refunds for any unrecoverable costs; leaving a program may include, but is not limited to, these reasons: academic dismissal, student conduct violations, civil unrest, epidemics/pandemics, and natural disasters.

Billing Questions

All study abroad billing inquiries should be addressed to the Bryant University Bursar's Office at (401) 232-6030. Please Note: Students will initially be billed the Bryant University rates. Once Bryant University is billed by the host institution, any appropriate adjustments are made to the student's account and the student will be notified via Bryant University email address that an updated Electronic Bill (E-Bill) is ready for viewing.

The Honors Program

The nationally distinguished *Bryant University Honors Program* offers its students a personalized, distinctive path, with the objective of enriching their academic, social, cultural, and professional experiences.

Academically driven students with a proven record of achievement are invited to join the program. These exceptional individuals, coupled with dedicated faculty, comprise a community of scholars who are committed to pursuing academic excellence in a mentor-driven environment. In addition to a focus on academic excellence, the four-year program also cultivates a sense of civic responsibility and hones key leadership skills. Through a commitment to scholarship, service, success, and self-awareness, the program creates an environment that sparks students' curiosity – and enhances both your personal life and professional future.

A large number of courses have been designed specifically for The Honors Program. While some of the Honors courses are adapted from standard courses and others are developed around unique topics, *all* are enhanced by rigor, research, and intellectual discourse extending beyond the typical coursework. These honors-designated courses are intentionally smaller in class size to afford students opportunities to interact with peers and professors. Successful completion of seven Honors courses and an Honors Thesis culminates in the student being recognized as an Honors Program graduate, a distinction noted on the student Bryant University diploma *and* official academic transcript.

As a member of the Bryant Honors Program, you will also have the opportunity to build relationships with upper-class honors students and faculty members, explore other countries, earn Honors credits, and foster global citizenry through opportunities such as the Honors Sophomore International Experience and semester-long study abroad programs, serve on the Student Honors Council, register early for classes, hear from and interact with a diverse range of nationally recognized speakers, and participate in the Honors Senior Trip.

ELIGIBILITY

Generally, students are invited to the program when they are accepted to Bryant. The invitation is based on academic achievement and leadership.

political implications of Chilean street art, looking at the impact of parental mediation on media literacy, and writing an original novel.

Army ROTC Program

The ROTC Program is designed to train and qualify men and women for commissions as second lieutenants in the U.S. Army while they pursue an academic program of their choice. Bryant is one of more than 500 colleges throughout the U.S. dedicated to providing qualified military leaders for the United States Army while providing classroom and practical leadership training and experience. Courses in military science are part of the Army Reserve Officers' Training Corps (ROTC) Program, which is offered as part of the curriculum at Bryant University on a voluntary basis. Bryant students may take the first two years of the ROTC curriculum without any post-college obligation.
