

# UNDERGRADUATE DEGREE PROGRAMS

Bryant has built its reputation on educating business professionals and leaders. The **COLLEGE OF BUSINESS** offers the following degree programs.

With a traditional **Bachelor of Science in Business Administration (BSBA)** degree, you can concentrate in any of these areas: Accounting (<http://catalog.bryant.edu/undergraduate/collegeofbusiness/accountingdepartment>) | Entrepreneurship (<http://catalog.bryant.edu/undergraduate/collegeofbusiness/entrepreneurshipprogram>) | Finance (<http://catalog.bryant.edu/undergraduate/collegeofbusiness/financedepartment/#text>) | Financial Services (<http://catalog.bryant.edu/undergraduate/collegeofbusiness/financedepartment/#text>) | Global Supply Chain Management (<http://catalog.bryant.edu/undergraduate/collegeofbusiness/globalsupplychainmanagementprogram>) | Human Resource Management (<http://catalog.bryant.edu/undergraduate/collegeofbusiness/managementdepartment>) | Information Systems (<http://catalog.bryant.edu/undergraduate/collegeofbusiness/informationssystemsandanalyticsdepartment>) | Leadership and Innovation (<http://catalog.bryant.edu/undergraduate/collegeofbusiness/managementdepartment>) | Managerial Accounting and Finance (<http://catalog.bryant.edu/undergraduate/collegeofbusiness/accountingdepartment>) | Marketing (<http://catalog.bryant.edu/undergraduate/collegeofbusiness/marketingdepartment>) | Team and Project Management (<http://catalog.bryant.edu/undergraduate/collegeofbusiness/managementdepartment>).

You may major in **Bachelor of Science in Data Science (BSDS)** (<http://catalog.bryant.edu/undergraduate/collegeofbusiness/datascienceprogram>).

For those more globally focused, you may pursue a **Bachelor of Science in International Business (BSIB)** (<http://catalog.bryant.edu/undergraduate/collegeofbusiness/internationalbusinessprogram/#text>) with a concentration in Accounting | Entrepreneurship | Finance | Global Supply Chain Management | Human Resource Management | Information Systems | Leadership and Innovation | Marketing | Team and Project Management. Please note that these programs have different requirements than those of the BSBA concentrations - click on the "Majors" tab of the International Business Program page for specific requirements.

Business programs are enhanced by a minor in the liberal arts, emphasizing the importance of developing the whole student. All students in business administration are required to complete a liberal arts minor.

The **COLLEGE OF ARTS AND SCIENCES** offers two degrees:
